

GADOE Reading First Training Classes for 2009 -2010

All classes are open to classroom teachers, literacy coaches, administrators.

DIBELS I – (Sept. 10) This is a pencil/paper DIBELS training session for participants who have never been trained to use DIBELS.

DIBELS II – (Oct. 8) This is a DIBELS training session for participants who are currently using either the Palm Pilot or pencil/paper administration of the DIBELS subtests. The session will assist participants with questions about administration and emphasis will be placed on how to use the results to improve student achievement.

The following sessions provide an in-depth analysis of the core components of reading instruction as outlined in the National Reading Panel Report (1999). The sessions provide both theoretical information and practical classroom best practices for teaching reading.

Phonemic Awareness	October 1, 2009
Phonics	November 10, 2009
Vocabulary	January 14, 2010
Fluency	February 2, 2010
Comprehension	March 2, 2010

Differentiation in Reading (two dates in 2010 to be announced)

All classes are 8:30 – 3:30 in Room 708 at Southwest GA RESA.

Amanda Beaty, GaDOE, is listed for instructor at all sessions; however, depending on GaDOE funding, Carol Hartley or Lisa Albert may be doing some sessions.
